

Senior Games Criterium

9228 Orion Dr NE

Lacey, WA 98516

We are going to run the Crit in a brand new warehouse complex with very nice pavement and wide safe roads and ZERO traffic. It is so new that it does not show up on the satellite or map it maps (see box below). It should be really safe fast and fun. It will be super flat with a 6 corners that are all real wide and sweeping.
